All prices are current. Information on this schedule of tuition fees is relevant to eligible students who have or will apply for, a VET Student Loan (VSL), and to students who have opted-in to continue accessing their VET FEE-HELP loan during 2017. VSL applicants can only defer tuition fees up to the loan limit as listed and will be required to pay any gap amounts between the course price and the loan limit. Payment Plans will be made available to eligible students who do incur a gap fee and all payments must be finalised one month prior to the last close of study date for the course/putin. Alternatively gap fees for each enrolled unit must be paid in full by the census date. VSL covers tuition fees only - Textbooks, uniforms or any other incidental fees are additional and must be paid at time of enrolment. For information about the number of units required for this course, please refer to the TAFE Queensland website.
